## 2. Projects under review:

- Solar Airplane
  - Solar airplanes would not help UCI's sustainability goals
  - Primary communication about project will be through emails restricted to engineering students
  - **Vote: 0 In Favor, 5 Opposed, 0 Abstain**
- UCI Racing Baja (reapplication)
  - Third year of reapplying, project does not seem to be improving enough for continuation of funding

  - Same ideas for other two race car applications
  - Post-event report from last school year claimed that TGIF funding would not be required for the following year because parts would be recycled
  - **Vote: 0 In Favor, 5 Opposed, 0 Abstain**
- UCI Racing Mantis (reapplication)
  - Little to no changes in application, except for more of an outreach plan
