- Sustainability: Krista Linzner
- ASUCI: Stephanie van Ginkel
- Project Applications Under Review: UCI Race car
 - Baja
 - Outreach is lacking, especially concerning the UCI student population
 - Delta
 - Outreach seems to be contradictory
 - Does not affect the majority of undergraduates
 - Possible stipulations - for more students to become involved
 - Electra
 - Outreach question is not addressed at all, should show why their car is more efficient
 - Raider
 - Outreach similar to Baja
 - Outreach is lacking, especially concerning the UCI student population
 - Explanations are not very good, many things are confusing
 - Not competing locally
 - Asked for funding within 6 days
 - Many students signed up but we have no way of knowing how many will show up
- Intern Interview Schedule
 - Doodle Poll for scheduling to come out Friday
- Boothing schedule seems to show that Friday is free
