- Updates:
 - Secretary: Emily
 - Accounting: Sanam Kakkad
 - Marketing: Jamie Hearn
 - Wheel for bothing
 - There is one online for ~\$40, that would probably last longer
 - We can order the same seed paper from decathlon, to give away at bothing events as prizes
 - Bothing schedule to come out sometime next week
 - External Affairs: Fatima Lopez
 - Having a funding workshop for students of UCI
 - We could post it in the Anteater Weekly and CORE newsletter
 - However, presenting at CORE could be enough
 - Normal CORE workshops seem to be only once a quarter, would also be a good way to reach people
 - Sustainability: Krista Linzner
 - Still waiting on Racecar response
 - Intern interviews will be next week, there is a Doodle Poll on Facebook for times
 - 2-3 interviewers per session
 - Interns will bring resumes
 - Stephanie had an idea to do a rolling application for interviews
 - Could do one at the end of each quarter for the start of the next quarter
- Review bylaws
