ASUCI Judicial Board

Petition for Hearing Template

Please include the name of the petitioner(s) and respondent(s), as well as specific alleged violations of the ASUCI Constitution, By-Laws, or other governing documents. Claims should be substantiated by available evidence (e.g., documentation, written testimony, etc.) or they may not be accepted, unless a reasonable explanation regarding the present inaccessibility of evidence is provided.

After a Petition for Hearing is submitted, the Judicial Board will hold a Preliminary Hearing in order to determine if it will accept the case. If the Board agrees to hear the case, additional evidence substantiating the complaint may be submitted in a timely manner as determined by the Judicial Board. The decision of the Board is generally final, unless an error in procedure occurs, new evidence is presented, or bias on the part of the Judicial Board is determined. However, Judicial Board decisions may be appealed to the Judicial Oversight Committee in certain circumstances.

Please submit a document that addresses these items, as well as any other topics you may consider relevant, along with any additional paperwork, to the Judicial Board Chair. You may wish to review the Judicial Board Policies and Procedures (available on the ASUCI website), particularly article VI, “Procedures for Hearings,” prior to submitting a Petition. You are not required to use the format below. The Chair may be reached at judicial@asuci.uci.edu.
