Standing Rules Noticed Effective Immediately

1. Executive session will be moved into for one of two instances:
   a. The Chief Justice upon seeing sufficient, contentious debate may assume the motion and proceed to direct the meeting into Executive Session.
   b. An appeal may be made upon the decision by the Chief Justice. Appeals must be heard and responded to by the Chair, upon which a majority vote is required to approve the Chief Justice’s assumed motion.

2. All Executive Sessions will imply a motion to move into informal consideration, in which parliamentary procedures will be suspended.

3. Substantive voting shall not be made in Executive Session, unless the Judicial Board is engaged in a Formal hearing, where different rules as stipulated in this document apply.

4. A document with all Standing Rules adopted by the Judicial Board must be made public on the ASUCI website. It must be updated within a week’s time of giving notice to the Senate, unless prevailing circumstances require it.

5. Time shall be allotted for public comment at the beginning of every regular meeting. Two minutes shall be yielded to every speaker.
